The mission of BHA is to help individuals and families, who are experiencing homelessness, achieve their God-given potential by providing a holistic program of stable housing, supportive services and loving relationships.

We are committed to revitalizing the block where we are located and as such, have been the catalyst for the change happening on Hummel and Mulberry Streets by investing \$1.4 million dollars into renovating and rehabbing distressed buildings in the area.

Now in our 30th year of service, we have provided housing and supportive services for over 1,000 adults and children since we opened our doors in 1989.
